

Attention all parents of 6th grade students!

Immunization requirements for school attendance in Ohio have changed!!

All students entering 7th grade in the fall of 2016, are now required by Ohio school law to show proof of the following immunizations **BEFORE** starting school:

- **TDaP** vaccine (to protect from Tetanus, Diphtheria and Pertussis)
- **Meningococcal (A, C, Y, W-135)** vaccine (to protect from Meningitis)

Any 7th grade student who has not had TDaP and Meningitis (A, C, Y, W-135) vaccinations will not be permitted to attend school until proof of these immunizations has been received by the school.

Both the required TDaP and Meningitis (A, C, Y, W-135) shots can be obtained at any time from now until the first day of 7th grade. We encourage you to contact your Primary Care Physician or your local Health Department for an appointment.

Carroll County Health Department (330)-627-4866
Columbiana County Health Department (330)-424-0272
Stark County Health Department Phone: (330)-493-9914

Don't wait! Clinics tend to become very busy toward the end of summer, causing a delay in immunization which could result in exclusion from school.
